Instructions for filling out form

At the top of the Entry Form, the Exhibitor # needs to be left blank (will be determined at setup) and the rest (Name, Phone #, Address) needs to be filled out. Use the schedule to determine the entry Class number, leave the Entry # and the Space areas blank (will be assigned later during setup) and fill in the Plant Name and the Parent information if known. A good resource for parentage is Orchid Roots <http://bluenanta.com/orchid/> The completed form can be emailed to me at chinchbug@earthlink.net I will send a return email stating that I have received the form.
