

# The Tampensis

November/December 2021

**It's hard to believe another year is coming to a close!**

**At this time of year, we orchid growers are busy preparing for the holidays, yet keeping a watchful eye on the nightly low temperatures.**

**Please be mindful of your plants' needs. Some need the seasonal cool to encourage blooms while others become too stressed and refuse to bloom. If you aren't sure which category your plant(s) are in and what each one needs, join our Facebook group for culture tips.**

**Looking forward to seeing you January 10, 2022.**

**Happy Holidays!**

**Lori Erlacher**  
*CFOS President*

The next meeting will be held February 3, 2022. Members are encouraged to bring in their "problem plants" for show and tell and for guidance on how to address the problem. Teri Scott oversees this meeting and is a wealth of information that she gladly shares. There will be no meeting in December or January.

Membership is now due and can be paid at our meeting with cash, check or credit card and on the website with a credit card. [MEMBER SALES](#)
