# A Note from the Editor

Welcome back to Leu Gardens! It was great seeing the speakers return and seeing all the members back in our regular meeting spot. We had our ribbon judging again along with the silent auction, raffle and door prize. Let's hope this becomes our norm again.

By the time you receive this, we will have already had our annual auction but the details, pictures and results will be in the next newsletter.

We have been informed by Leu Gardens that we will not be able to use our meeting room in December due to their new annual event. Due to this situation, our holiday party will be an 11am brunch event at Krull-Smith on December 10th. Our society will be providing ham and turkey and ask that we all bring the sides and desserts.

We will have a sign up sheet for food items and you will NEED to RSVP for this party, not only so we can ensure we have enough food for everyone, but also to sign up for your holiday orchid.

## Culture Group

For those members interested in hands-on learning for the care and culture of all types of orchids, the Cultural Study Group meets the first Thursday of each month at 7:00PM at Leu Botanical Gardens. Members are encouraged to bring in their "problem plants" for show and tell and for guidance on how to address those problems. Membership for this group is \$5 annually. Teri Scott oversees this meeting and is a wealth of information that she gladly shares.
