MAY 2024

# *A note from our President*

Hello Members,

Our display team artists Sam, Jeannie and myself have had a fun time setting up the displays for Platinum and Volusia shows. We stand ready to do our show in June. Our orchids won a number of ribbons and I hope we get a good turn out for our show. The members auction was a lot of fun. The society made a nice profit, as did the members who brought items and the bidders who won items. I think we have had a fun and informative first half of the year. Can't wait to see and hear the speakers Jeanie has lined up for the rest of the year. See you at the show...Happy Shopping!

## *Upcoming meetings @ Leu Gardens 7 pm*

**Culture Group Meeting** - Thursday June 6 - The Culture Group has monthly topic discussions or workshops on orchid culture and anything from repotting to seasonal care. Open plant discussions address problems and questions answered.

**General Meeting** - Monday June 10 - Speaker is Joshua Jones, **The Orchid Den**, who will be discussing Dendrobium Culture. Joshua is a grower, producer and educator of all things orchid related and has been growing healthy and established orchids for over 15 years. Joshua has received multiple awards for his exceptionally well grown plants and is starting to hybridize orchids. Follow Joshua's YouTube channel (The Orchid Den) to learn more for yourself.

Looking for information on how to care for your orchid? Below you will find links to several of the more common orchid genera. These popular documents have been at the foundation of AOS orchid education for decades and provide orchid care and culture information in a convenient, concise format. Where available, additional resources have been added at the bottom of the page. Each page can be printed on a letter-sized sheet of paper. Print them all and make your own basic culture booklet.
